Overview and Terms & Conditions

Welcome to the Devon *Virtual Games* Events hosted by Active Devon and the School Games Organisers - it is the Devon Summer School Games with a twist!

All competitions are virtual, and you can enter as many of them as you like. The competitions are suitable to do at home, in your backyard or garden or at school. They give you the chance to virtually team up with your classmates, represent your school and compete against other children from across Devon!

The #DevonVirtualGames will run from the 18th May 2020 – 13th July 2020 with six different events for you to enter. Individuals will be able to submit their entries via an online link. The last additional event will be a set of family-based challenges which will run throughout the summer holidays. Every Monday at 10am throughout June we will post a new competition for you to get involved in. Each competition will be open for a limited amount of time. Please see below.

There will be medals, certificates, and prize categories for each event. All entries will also be included into a prize draw for the chance to win some great prizes, plus the school with the highest percentage of their pupils taking part will also win a prize, so make sure you tell your friends from school to get involved too!

You must ensure you are following the [latest government guidance on being active during the coronavirus outbreak](#).
