

## Heron Class Homework – 2024

Subject	Expectation	Information for this week
Reading	2x RWI books sent home each week to be read daily.	The children will be sent home with 2 Read Write Inc books. We will be changing their books every Friday so it would be great if their book bags could be in school every Friday. Children should read their RWI books daily throughout the week. Reading a book more than once helps children to build fluency and comprehension skills.
Phonics and Spellings	1x phonics video or 1x phonics sheet	At times I will send out a link for some phonics videos for the children to watch and join in with at home. Children may also come home with phonics sheets dependent on what they are focusing on in sessions.
Maths	1x online activity or 1x maths sheet	Children will either be assigned a maths activity on maths jam or will come home with a maths sheet.  Numbots is always accessible to complete maths practice.
Foundation Subjects: Science, Art, Humanities, RE	Activities will be sent home at different times throughout the year to support children's learning in class.	There is a foundation subject homework also put out on Class Dojo containing different options of homework linking to their other subjects - these tasks may take longer.
