

HOW TO MAKE A BUG HOTEL

1. Cut 4 pieces of wood to 20cm

2. Screw them together

3. Cut the roof slightly longer

4. Then screw the roof on

5. Then put decorative wood to make it look like roof tiles

6. Get bamboo and cut it to the right size then put them in the top

7. Grab some things to go in the hotel

8. The finished hotel
