

Eagle Class

Spring Term 2025

Happy New Year!

Welcome back to the spring term of year 4. It has been wonderful welcoming all the children back and seeing them settle into our classroom routines.

English

We have started in English by exploring a book written in a traditional style, *The Most Wonderful Thing in the World*, by Vivian French. We will be exploring the features and techniques the author uses to bring the story alive, with the aim to use these to write our own traditional tales.

Maths

As mathematicians, we will begin by focusing on multiplication and division. This is an important time for us in Eagle Class with the multiplication check approaching. All children should be concentrating and working hard to know their times tables up to 12×12 . Please continue to practise these!

Humanities and RE

We have commenced our journey in Humanities with a focus on History and the *Early Islamic Civilisation*.

During RE, we will begin by focusing on our topic of 'Jerusalem to Galilee'. I am looking forward to seeing the children develop their enquiry skills over the next coming weeks.

PE

Eagle Class have PE on a Monday and Thursday. Please send your children to school wearing their PE kits on these days.

Dojo and Homework

The children will be set weekly homework tasks on a Friday that are uploaded on to class Dojo, following on from the expectations set in the Autumn term.

The weekly homework tasks will consist of; reading, practising spellings, completing Maths tasks on the online platform called Mathsflex, and Times Table Rock Stars to practise times tables.

I am very excited to be teaching the children this term and hope you are looking forward to hearing about our learning and seeing some of the amazing work we produce.

If you have any questions please do not hesitate to contact us through Class Dojo.

Thank you to everyone for your continued help in supporting the children's learning.
