These are assigned to support children to practice their sound knowledge from in class that week, or to revisit previous sounds.</p>
Maths	<p>1x online activity or 1x activity sheet each week</p>	<p>This activity will be chosen to reinforce learning from in class that week. This may be an activity sheet or on an online platform such as Numbots. Power Maths or Top Marks.</p>
	<p>Activities will be sent home at different times throughout the year to support children's learning in class.</p>	<p>At some points through the year I will send home some learning / ideas of things to do with your child linked to their learning surrounding understanding of the world or expressive art design. These may be practical suggestions or creative based activities.</p>

Homework will be sent home via our dojo platform every Friday.
